Benediction for the Discriminated

May you walk in the knowledge
that your worth is not determined
by the blindness of others,
nor diminished by their fear.

May the wounds inflicted by injustice
be met with the balm of truth,
and may your story be honored,
not silenced.

May you find rest
not in the shadows of apology,
but in the light of your full humanity—
unchanged, unashamed, and whole.

May courage rise with every breath,
and may the strength of those before you
stand behind your every step.

Amen
