Call to Worship: Embracing Inclusion

Leader:

Come, all who are weary, all who are searching for a place to belong.
Come, all who are joyful, all who are hurting, all who are hopeful.

People:

We come together as one body, made stronger in our diversity, made whole in love.

Leader:

In this sacred space, every voice is valued, every story honored, every soul cherished.

People:

Here, there is room for everyone — no matter who we are, where we come from, or whom we love.

Leader:

Let us worship the God who created us in infinite variety, who welcomes us without condition.

People:

With open hearts, we gather. With open arms, we receive one another. With open minds, we worship.

All:

Come, let us worship together — a community of radical inclusion and grace.
