Call to Worship: Acceptance

Leader:

Come, all who are weary, all who are searching for a place to belong.
Come, whether your heart is full of faith or full of doubt.

People:

We come, just as we are—welcomed, embraced, and loved. Accepted beyond how this world can accept.

Leader:

God's arms are open wide. There is no one too broken, no story too complicated, no past too heavy.

People:

Here, we are accepted. In this place, we are seen and known, valued, and wanted.

Leader:

This is holy ground—not because we are perfect,
but because God meets us in grace.

People:

Let us worship the One who calls us by name and accepts us fully.
