## **Call to Worship for the Wounded and Weary**

### ***Leader:***

To all who have been told they are not enough —  
too broken, too different, too questioning —  
God says: *Come.*

### ***People:***

We come with our wounds, our doubts, our guarded hearts.  
We come, hoping for a love that is safe and true.

### ***Leader:***

To all who were silenced or shamed in places meant for healing —  
To all who carry stories the church refused to hear —  
God says: *I have heard you. I see you.*

### ***People:***

We come to a God who welcomes what others rejected.  
We come not because we must, but because we are drawn by grace.

### ***Leader:***

Here, there is no pressure to perform, no demand to pretend.  
Only an invitation: to rest, to be, to begin again.

### ***People:***

This is holy ground — not because it is perfect,  
but because God meets us here, just as we are.

### ***All:***

Let us worship the One who binds up the brokenhearted  
and makes a home for those who've been turned away.
